BUCHAN BOYS AND GIRLS IN ANNUAL REUNION

Almost the Whole Membership of Gleuugie Club with Wives and Friends Had Splendid Time Last

Night.

Jolly lads and lasses of auld Buchan celebrated Christmas in an old-time way last night by assembling in Clan Gordon hall for the 12th annual banquet of the Glenugie club. Nearly everyone of the limited membership of 50 was able to join in the merrymaking and as has been the custom of the Buchan boys since the club had its inception, their wives or sweethearts were the guests of honor. Not in several years has the attendance of actual members been so gratifying. That hoary patriarch, 1914, has been kind to the Glenugians. Their ranks decimated neither by death nor removal, it was a happy combination of circumstances which permitted the club members in nearly their full strength to celebrate under one family roof tree the old days in that bonny land where rolls the Ugie Evergreen festoons, holly wreaths and colored crepe paper, softly illuminated with incandescent lights, lent a charming uletide effect to the scene and the was yesterday in Barre. Weather, -32 To-day Northfield, Dec. 26.-It was the coldest December morning on rec-ord at the Northfield U.S. weather bureau to-day, the temperature at 7:30 o'clock being 32 below zero, a mark only three degrees short of the record low temperature of any month. The previous low mark for December was -27 on December 14, 1893. However, Northfield was not by any means the coldest spot on the continent, for White River, Ontario, reported a temperature of
